NOTICE TO THE PUBLIC

Starting 28 May 2020, this Office will no longer accept applications for *Permit to Operate Air Pollution Sources Installations* manually filed pursuant to EMB Memorandum Circular 2020 – 17 dated 11 May 2020. All applicants are hereby advised to file their applications through the Online Permitting and Monitoring System (OPMS) by visiting the EMB website <https://emb.gov.ph> and clicking the link POA Online.

Furthermore, in support of the government's efforts against the COVID-19 pandemic, applicants are highly encouraged to use the Landbank internet-based facility in the payment of fees. Visit the OPMS site for details and to download the quickguide.

For information and guidance of all stakeholders concerned.
