

EMS ROMBLON INSPECTS ODIONGAN DUMPSITE

The Environmental Management Services (EMS) – Romblon conducted an inspection of the dumpsite located in the municipality of Odiongan, Romblon on February 09.

EMS-Romblon Chief Irwin Anzaldo headed the inspection team, accompanied by Environmental Monitoring Officers (EnMOs) Jose Marie Fabito and Florand Valencia.

Said activity was conducted in coordination with Dr. Ramer Ramos, the Municipal Environment and Natural Resources Officer of Odiongan.

The inspection was made in connection with the directive of DENR Secretary Roy Cimatu to close all dumpsites in the country by the end of March 2021 to make for better and bigger sanitary landfills.
